WHY:

For lasting good

We exist to create truly sustainable value — for the organizations we work with and in the lives of millions.

We reach for the never before because we prize the enduring over the short term. For us, thinking beyond the here and now is how we become trusted partners, not just to our clients, but to each other and the world around us too. We see one ecosystem of company, clients and society, living and growing together. As leaders in data, technology and creativity, we can do work that's woven into the lives of millions. We have the opportunity, the privilege and the responsibility to use our powers for the lasting good of everyone.

WHAT:

The power of the never before

Our ideas create new solutions and new beginnings for an ever-changing business environment.

In challenging times, we invite clients to embrace the necessity of change and find radical new ways to win, keep and grow their best customers. Data-driven, ideas-led and technology-empowered, dentsu is uniquely equipped to help businesses leap from what's now to what's next. This is a company of entrepreneurs, optimists and doers. We have the vision, the daring and the practical intelligence to unlock new possibilities for growth when others are fearful of decline.

HOW:

Open teaming

Anyone from anywhere in the dentsu world and beyond can get together in a team, there are no boundaries.

To be first movers in an ever-transforming world, our hearts, minds and doors must be wide open—to the power of diversity, to ideas from anyone, anywhere. And by creating the Teaming Platform, we've made openness the organizing principle of our company. Open teaming means erasing borders, bringing down administrative barriers and reaching out beyond dentsu to connect with other bright-minded organizations. Open teaming is talent perfectly shaped around the opportunities we see for our clients and partners.

THE 8 WAYS TO THE NEVER BEFORE

5 WE MAKE IT REAL

We're more than idealists, we're entrepreneurs. We turn strategic vision into measurable plans, executed beautifully. What we dream, we build. It's not genius until it's real. Let's make it happen.

What we do isn't always easy. But even when a task seems impossible, we meet it with grace and optimism. We step towards difficulties and turn problems into progress. We're here to find solutions. Let's welcome challenges.

7 WE CHOOSE EXCITEMENT

On every project we look for ways to go further, to make our work more interesting and rewarding. In choosing our way, we take the exciting path, because in tough times and good, it's excitement that propels business forward. Let's love the work we do.

8 WE ARE A FORCE FOR GOOD

We work with honesty, integrity and responsibility. We are endlessly curious about ways to add value to people's lives. When we do the right thing as individuals, it becomes who we are as a company. Let's use our powers for the good of everyone.
